SAVE & EXIT

## Invite Sent

An invite has been sent to the contractor.

**CLOSE**

# Part 1: Complete!

Congratulations! You have granted Rack Electric access to your online FPL net metering application. Rack Electric will enter all the specifications of the solar panel system and send the “Interconnection Application” to be digitally signed.

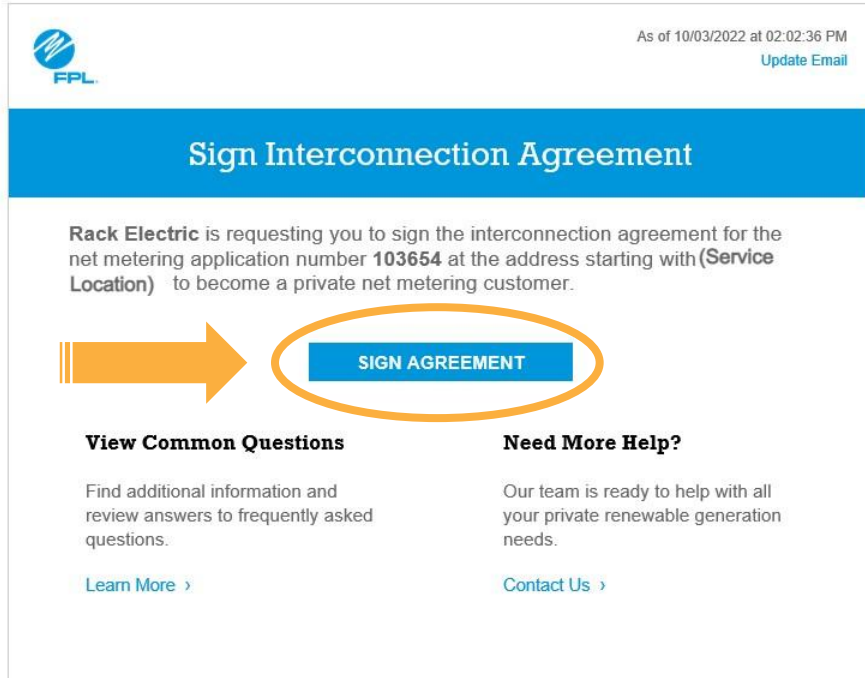

Tune into Part 2 to successfully sign the Interconnect Application through the FPL online portal.

# Part 2: Sign Interconnection Agreement

## Rack Electric will “Invite” you to sign the IA via email

The screenshot shows an email interface. At the top left is the FPL logo. At the top right, it says 'As of 10/03/2022 at 02:02:36 PM' and has a link 'Update Email'. Below this is a blue header bar with the text 'Sign Interconnection Agreement'. The main body of the email contains the following text: 'Rack Electric is requesting you to sign the interconnection agreement for the net metering application number 103654 at the address starting with (Service Location) to become a private net metering customer.' Below this text is a large orange arrow pointing to a blue button labeled 'SIGN AGREEMENT', which is circled in orange. Under the arrow, there are two sections: 'View Common Questions' with the text 'Find additional information and review answers to frequently asked questions.' and a link 'Learn More >'; and 'Need More Help?' with the text 'Our team is ready to help with all your private renewable generation needs.' and a link 'Contact Us >'. At the bottom of the email, it says 'Please do not reply to this email. This address is not monitored.' and 'For help, visit FPL.com'.

## Sign Interconnection Agreement

### Interconnection Agreement for Customer-Owned Renewable Generation

#### Tier 2 - Greater than 10 kW and Less than or Equal to 100 kW

This Agreement, is made and entered into this 3 day of October 2022, by and between \_\_\_\_\_, ("Customer"), with an address of \_\_\_\_\_, FL \_\_\_\_\_ and FLORIDA POWER & LIGHT COMPANY ("FPL"), a Florida corporation with an address of 700 Universe Boulevard, Juno Beach, FL 33408-0429.

#### WITNESSETH:

WHEREAS, the Customer has requested to interconnect its Customer-owned renewable generation, greater than 10 kW AC and less than or equal to 100 kW AC, to FPL's electrical service grid at the Customer's presently metered location.

By clicking "SIGN AGREEMENT", you are indicating that you understand and agree to the interconnection terms and conditions.

**SIGN AGREEMENT**

**SAVE & EXIT**

That will bring you right to this page.  
Click "Sign Agreement"

That's it! FPL will record the click action as your signature and the following will appear

### Contractor Notified

An email notification was sent to your contractor indicating that you have signed the agreement

**CONTINUE**

You can now exit out of the application.

## Part 2: Complete!

Congratulations! You have signed the Interconnection Application.

Once the final inspections pass, Rack Electric will have the responsibility to “Upload Documents” and submit to FPL for Permission to Operate. Once “PTO” is granted, we will remotely enable production, provide warranty documentation and production monitoring access.

***Sustainably Yours, Rack Electric***
