Safeguard with EMF and EMP Shielding

Power Perfect Has Proven Health Benefits and Works to Protect Home and Business.

What does it do?

Power Perfect improves solar system **peak performance** by day and **saves money** on energy hogs at night.

How does it do it?

Power Perfect **harmonizes all aspects of grid and inverter current** virtually eliminating dirty electricity and harmful EMF radiation.

Why is surge protection critical?

Power Perfect protects inverters, home appliances and family while **increasing inspection pass rate by 10%** as inspectors focus largely on grounding and catastrophic surge damage.

Has it been tested & validated?

Satic technology has been **rigorously tested and 3rd party validated** by the country's leading labs, building biologists, medical researchers and academics.

What are customers saying?

The industry's number #1 EMF filter has over 100,000 units currently serving satisfied customers with **raving 5-Star reviews**.
